(SUPERVISORIAL DISTRICTS 1, 2, AND 4)
(3 VOTES)**

SUBJECT

This action is to award a contract for as-needed soft-bottom channel clearing services in the southern portion of Los Angeles County.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the contract work is categorically exempt from the provisions of the California Environmental Quality Act.
2. Award the contract for As-Needed Soft-Bottom Channel Clearing Services – South Area, in the sum of \$317,630, which includes \$41,430 for disposal fee reimbursement, to J. Orozco Enterprises, Inc., d.b.a. Orozco Landscape and Tree Company. This contract will be for a term of 1 year commencing on July 1, 2014, or execution between both parties, whichever occurs last, with four 1-year renewal options and a month-to-month extension up to 6 months for a maximum potential term of 66 months with a maximum potential contract sum of \$1,746,965.

3. Authorize the Director of Public Works or her designee to increase the contract amount each contract year up to an additional 10 percent of the contract sum for the initial term and each option year for unforeseen, additional work within the scope of the contract, if required; and to adjust the annual contract sum for each option year over the term of the contract to allow for an annual cost-of-living adjustment in accordance with County policy and the terms of the contract.
4. Authorize the Director of Public Works or her designee to execute the contract; to renew the contract for each additional renewal option and extension period if, in the opinion of the Director of Public Works or her designee, J. Orozco Enterprises, Inc., d.b.a. Orozco Landscape and Tree Company has successfully performed during the previous contract period and the services are still required; to approve and execute amendments to incorporate necessary changes within the scope of work; and to suspend work if, in the opinion of the Director of Public Works or her designee, it is in the best interest of the County of Los Angeles to do so.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to provide as-needed and intermittent clearing, removal, and off-site disposal of brush, standing vegetation, rubbish, and debris; the removal and trimming of trees; and other incidental and appurtenant work necessary to restore the capacity of existing earthen-bottom channels within the southern portion of Los Angeles County.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1), Fiscal Sustainability (Goal 2), and Integrated Services Delivery (Goal 3). The contractor who has the specialized expertise to provide these services accurately, efficiently, timely, and in a responsive manner will support Public Works in meeting these goals.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

This contract is for a contract sum of \$317,630, which includes \$41,430 for disposal fee reimbursement for each contract term. The annual contract sum may be adjusted for each option year to allow for an annual cost-of-living adjustment in accordance with County policy and the terms of the contract. This amount is based on the unit prices

and hourly rates quoted by the contractor and Public Works' estimated annual utilization of the contractor's services.

Funding for these services is included in the recommended Fiscal Year 2014-15 Internal Service Fund Budget, which will be reimbursed by the Flood Control District Fund Budget. Funds to finance the contract's optional years, cost-of-living adjustments, and 10 percent additional funding for contingencies will be requested through the annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The recommended contractor is J. Orozco Enterprises, Inc., d.b.a. Orozco Landscape and Tree Company, located in Pomona, California. The contractor is certified by the County of Los Angeles as a Local Small Business Enterprise. This contract will commence on July 1, 2014, or execution by both parties, whichever occurs last, for a period of one year. With the Board's delegated authority, the Director of Public Works or her designee may renew this contract for four 1-year renewal options and a month-to-month extension up to 6 months for a maximum potential term of 66 months.

The contract will be in the form substantially similar to the form previously reviewed and approved by County Counsel (Enclosure A). Prior to the Director or her designee executing this contract, the contractor will sign and County Counsel will review it as to form. The recommended contract with J. Orozco Enterprises, Inc., d.b.a. Orozco Landscape and Tree Company was solicited on an open-competitive basis and is in accordance with applicable Federal, State, and County requirements. The contractor is in compliance with the requirements of the Chief Executive Officer and the Board.

The award of the contract will not result in unauthorized disclosure of confidential information and will be in full compliance with Federal, State, and County regulations. The contract contains terms and conditions supporting the Board's ordinances, policies, and programs including, but not limited to: the County's Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the Los Angeles County's Child Support Compliance

Program, Los Angeles County Code, Chapter 2.200; and Defaulted Property Tax Reduction Program Ordinance, Los Angeles County Code, Chapter 2.206; and the standard Board-directed clauses that provide for contract termination or renegotiation.

Data regarding the proposers' minority participation is on file with Public Works. The contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color.

Proof of the required Comprehensive General and Automobile Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from the contractor before any work is assigned.

Pursuant to the applicable memorandum of understanding, the Request for Proposals (RFP) for these contracted services was submitted on December 12, 2013, to the appropriate union for review. The union has not asked to meet with Public Works regarding this solicitation.

Public Works has evaluated and determined that the Living Wage Program (Los Angeles County Code, Chapter 2.201) does not apply to this recommended contract, which is for services required on an as-needed and intermittent basis; hence, this contract is not a Proposition A contract (Los Angeles County Code, Chapter 2.121).

This contract includes a cost-of-living adjustment provision, which is in accordance with the Board's Policy approved January 29, 2002.

ENVIRONMENTAL DOCUMENTATION

These services are categorically exempt from the provisions of the California Environmental Quality Act (CEQA). These services are within a class of projects that has been determined not to have a significant effect on the environment in that they meet the criteria set forth in Section 15301 of CEQA.

CONTRACTING PROCESS

On December 16, 2013, Public Works solicited proposals from 349 independent contractors and community business enterprises to accomplish this work. Also, a notice of the RFP was placed on the County's bid website (Enclosure B), and an advertisement was placed in the *Los Angeles Times*.

On January 22, 2014, three proposals were received. The proposals were first reviewed to ensure they met the minimum requirements in the RFP. One proposal was disqualified due to failure to comply with the RFP's minimum mandatory requirements. The remaining two proposals having met these requirements were then evaluated by an evaluation committee consisting of Public Works staff. The evaluation was based on criteria described in the RFP, which included the price, experience, work plan, equipment, and references utilizing the informed averaging methodology for applicable criteria. Based on this evaluation, it is recommended that this contract be awarded to the highest-rated, apparent responsive, responsible, and lowest-cost proposer, J. Orozco Enterprises, Inc., d.b.a. Orozco Landscape and Tree Company.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this contract will not result in the displacement of any County employees.

CONCLUSION

Please return one adopted copy of this letter to the Department of Public Works, Administrative Services Division.

Respectfully submitted,

GAIL FARBER
